

Northern Powerhouse Offshore Energy Mission to the Netherlands 7 - 10 October 2019

Join the Department for International Trade (DIT) for this Northern Powerhouse trade mission to the Netherlands and the [Offshore Energy Exhibition 2019](#) in Amsterdam. This mission is ideal for businesses eager to explore opportunities in the Dutch market and beyond.

Following the success of and high demand for last year's trade mission, DIT is delighted to invite businesses in the offshore energy sector to join our second visit to the Netherlands. This mission is one of many initiatives encouraging growth across the Northern Powerhouse.

In the fourth quarter of 2018 businesses from the Northern Powerhouse exported just over £1.4bn worth of goods to the Netherlands. This represents 9.5% of total goods exports from the region, demonstrating the vast potential for this market.

We will take businesses to Amsterdam, helping them to gain valuable market insights and connect with key players in the industry.

Why join?

- All travel and accommodation included in the cost of £249.00
- Match-making event with Dutch buyers facilitated by Enterprise Europe Network (EEN)
- Access to the Offshore Energy Exhibition Amsterdam 2019 (Conference access available at an additional cost)
- Cost-effective, risk-free insight into a key trading market
- Export focused market and sector briefing
- Access to the trade mission lounge and meeting space
- Support by DIT, the Netherlands British Chamber of Commerce and Team Humber Marine Alliance

Express your interest now and discover how exporting can maximise your growth potential.

Eligibility

Companies must be from the Northern Powerhouse region.

The Northern Powerhouse had a GVA total of £343.6 billion in 2017. In 2018 alone, businesses based in the region exported £59 billion worth of goods to every corner of the globe, yet there remains massive potential for future international growth. The region also has high speed rail links, excellent transport, highly skilled workforces and world-class research, with six northern universities ranked in the top 20 for research excellence nationally.
